We hope that you're happy with your Medi-Insure experience so far, and that you'll let your friends and colleagues know about the service we're offering. If you do, then we'd like to say thank you through our **Medi-Insure referral scheme**. Basically, if one of your colleagues signs up with us and lets us know that it was you that recommended us, then we'll give you either £250 or £500 off your next premium depending on the policy your colleague takes out.

If you have been referred to Medi-Insure by a colleague then please enter the following details and return with your completed proposal forms
